PORTFOLIO

CYRIL EMETERIO

INTRODUCTION

Hello! I’m an IT student passionate about learning and creating through technology. In this portfolio, you’ll find the projects I’ve worked on and the skills I’ve gained throughout my journey. I’m always improving and excited to keep growing as a programmer and web developer. Thank you for visiting my portfolio.

CYRIL EMETERIO

CYRIL EMETERIO

I am a hardworking and adaptable individual with a strong passion for technology and digital creation. I enjoy learning new skills, solving problems, and collaborating with different people. I have completed my Bachelor of Science in Information Technology, which has helped me strengthen both my technical abilities and creativity. As I continue to grow in the tech field, I aim to build meaningful projects, explore new ideas, and develop innovative digital solutions.

EDUCATION

ELEMENTARY EDUCATION
PLATERO ELEM SCHOOL

Completed a solid foundational education while maintaining strong academic performance and actively participating in various school activities and programs.

HIGH SCHOOL EDUCATION
EDUARDO L JOSON MEMORIAL HIGH SCHOOL (ELJMHS)

Strengthened academic discipline and developed teamwork and leadership abilities through different school projects, events, and collaborative activities.

SENIOR HIGH SCHOOL
EDUARDO L JOSON MEMORIAL HIGH SCHOOL (ELJMHS)

Enhanced communication, writing, and analytical skills through humanities and social science subjects, preparing for higher education and broader professional opportunities.

CYRIL EMETERIO
